FIVE | ALTERNATE PLAYERS

- A team is allowed to have registered alternate players (AP's) in addition to their 10 rostered participants. In order for an AP to be eligible to play, they must complete the online registration and the online waiver. They will subsequently receive a helmet sticker before being able to step on the ice.
- Alternate players must be registered under a team account. The additional fee for an alternate player is \$150.00 per player, and it is the coach's responsibility to ensure roster compliance with league rules.
 - *Alternate Players acknowledge that there is no guarantee about the number of games played or ice time given to them, as this comes at their coach's discretion. No refunds will be issued in this situation.*
- Alternate Players must be registered with a team prior to the playoffs, including the payment of their AP fee. Additionally, they are required to play a minimum of two (2) games with the team to be eligible for playoffs, or receive approval for an extenuating circumstance by the league manager.

SIX | ADDITIONAL INFORMATION

- **Individual Registration Information:** To play with a friend, please request this at the time of registration. Team information and game times for the first game will be e-mailed to parents or guardians a week before the start of the season.
 - *Start times will fluctuate from week-to-week for all divisions. Please note that we do our best to balance teams according to skill levels, and as such, the first schedule will only contain a few games as we get set to evaluate teams and re-balance any divisions, if necessary. Subsequently, the remaining schedule will be provided.*
- **Helmet Stickers:** All registered players will receive their *Calko Group Youth Hockey League* helmet sticker prior to their first game. The sticker is a proof of registration and league staff *and/or* referees have the ability to remove any player from a game if they're discovered to be playing without a helmet sticker.
 - **Please Note:** *A game may be forfeited if it's discovered that a team is using players or goalies who are not registered in the league.*
